In the parable today we hear Jesus encourage us to always be ready to meet him. He's talking about being ready to meet him someday when we die but he's alco talking about being prepared to recognize him in the ways he comes to us in this life. Being ready means taking time tin prayer and worship to get to know Jesus better and doing the loving work he wants us to do as His disciples. Ho prepared are you for Jesus to come to you, and what actions might you take to be ready. From LTP Sourcebook
